Kiss Cut[®]

Quick, convenient positioning. Pressure Sensitive Poly-TWILL[™] foreground(s) and background layer come pre-assembled.

Reason for using Kiss Cut[®]

SimStitch[®]

A simple no-sew option. 1, 2 or 3-color, Perma-TWILL[™] split front designs sport a unique zig-zag sewn appearance and a permanent adhesive. Simply position and heat apply.

20 seconds per color to heat apply
