

GREAT FOR:

- Adding “bling” to garments
- Ideal for cheer and spirit wear
- Alternative to rhinestones

CAD-CUT® GLITTER FLAKE™

THE GO-TO SPECIAL EFFECT MATERIAL

As the demand for “bling” continues to grow, Stahls’ CAD-CUT® Glitter Flake™ is the go-to, super-sparkle heat transfer material that offers a texture glitter finish that won’t wash away or flake off.

GLITTER FLAKE SELLS MORE SHIRTS!

Many customers prefer a high-end, bling look that makes their apparel stand out.

Perfect for:

- Cheer Uniforms
- Spirit Wear
- Fan Wear Apparel
- Special Event T-Shirts
- Small Businesses
- Dance Schools

USE IT WITH EMBROIDERY TOO

If you have embroidery equipment, Glitter Flake is compatible with Stahls’ patented Rip-Away Appliqué™ process. Learn more at stahls.com/ripawayapplique

HIGHLY DURABLE

Glitter Flake has been lab certified to withstand 50 wash and dry cycles without cracking, peeling or fading. It is guaranteed for the life of the garment.

“The customer initially was nervous that all the glitter was going to come off in the wash, but this is not your glitter that you buy at a craft store and it comes off; this is why it costs a little bit more, but your material is really top-notch, I have to say. It really is.”

– Irene Sorich, Orlando Volleyball Academy
