

GREAT FOR:

- Full color logos or designs
- Application on virtually any fabric
- Alternative to screen printing or embroidery

CAD-PRINTZ® Full Colour Digital Transfers

Digital goes where other decorating methods can't.

CAD-PRINTZ® Transfers are the easiest way to achieve custom, full colour designs for almost any fabric. They're ideal for graphics with more than 4 colours, hi-def details, or gradients. With lightweight, durable, stretchable, and ultra-soft materials, create high-end looks on hard-to-decorate items with only a heat press. Forget the limitations of screen printing or embroidery and delve into detailed digital designs!
