

25901 Jefferson Avenue, St. Clair Shores, MI 48081 / 800.478.2457 / Stahls.com

Dear Valued Customer,

As much of the world still continues to struggle with supply chain shortages related to the COVID pandemic, STAHL'S' has been no exception. We're working hard to ensure we're able to keep our products in stock and available to ship, but certain products may be on backorder as we navigate through these challenges.

We're currently experiencing low inventory levels of several products due to a shortage of raw materials beyond our control. For products that are on backorder, we will do our best to provide estimated stock replenishment dates, and estimated delivery dates. Please know that all estimated delivery dates provided are subject to change due to vendor and freight carrier delays.

If you're unable to find the product you need in stock, we recommend browsing Stahls.com for an alternative. We offer many other material and equipment options that are currently in stock and ready to ship. We're happy to help you find another product to best fit your heat printing job, so please don't hesitate to reach out for assistance. You can contact our customer service department Monday–Friday from 8:00 a.m.–7:00 p.m. ET at 800-478-2457, or via email at info@stahls.com.

We thank you for your patience and truly appreciate your business and loyalty.

The STAHL'S' Team
