

## IMPORTANT UPDATE FROM STAHL'S TRANSFER PAPER EXPERTS

Dear Valued Customers,

We regret to inform you that after careful consideration, we have made the decision to close the Transfer Paper Experts website as of June 30th, 2023. We want to express our sincere appreciation for your business throughout the years. We have enjoyed serving you, and we will truly miss the interactions and relationships we have built with you.

With the growth in transfer technologies such as Direct-to-Film, we have shifted our focus as an organization to better support print on demand technology and services. Our line of full color, quality DTF transfers are available to order through both [STAHL'S](#) and [STAHL'S Transfer Express](#) websites.

With UltraColor® MAX DTF Transfers, there is **no minimum order and next-day shipping**, so you can simply upload your design and get your transfers quickly, whether you need just 1 transfer or 100!

Our team is currently working on making the necessary arrangements to ensure that the closure goes as smoothly as possible. We understand that this news may come as a disappointment to you and apologize for any inconvenience this may cause. We appreciate your understanding and patience as we work through this process.

Again, we want to express our heartfelt gratitude for your business. We hope that you will continue to thrive and succeed in all your future endeavors.

Sincerely,

***The Transfer Paper Experts Team***
