

STAHL'S Reduces MOQ for Emblems & Patches and Offers \$360 in Savings

St. Clair Shores, MI. February 13th, 2025 – STAHL'S has reduced minimum order quantities for the high-end dimensional Emblem & Patch product category, allowing more decorators to expand their offering with a variety of valuable, retail quality finishes. In conjunction with the new minimums, STAHL'S is offering up to \$360 in free Emblems & Patches with the purchase of a new Hotronix® 360 IQ® Hat Press.

Reduced Emblem & Patch Minimums

For a limited time, customers can save by ordering only 12 patches for the same price per piece as 25 patches. This opportunity allows decorators to expand into the Emblem & Patch product line and show their clients more premium branding possibilities. By reducing order quantities without increasing per piece pricing, STAHL'S is allowing more businesses to begin offering premium products to smaller teams, corporations, brands, and limited-run projects with less up-front investment.

Key Features:

Reduced Minimums: Previously 25 pieces, now decorators can order as few as 12 emblems or patches, enabling more opportunities with smaller clients and niche markets.

Faster Shipping: STAHL'S domestic manufacturing ensures faster turnaround, eliminating overseas delays.

Premium Quality: STAHL'S Emblems & Patches offer finishes that add value to any item and are designed last on any garment.
