

Rodney Blackwell

rodney@bumpsale.com

Rodney Blackwell has over 25 years of experience in the apparel decoration industry. From starting his own clothing line, to custom printing for others and most recently was the original creator and founder of the popular T-ShirtForums.com online community that has helped 1000's of apparel decorators learn and grow their business the since its inception in 2005. He is currently working on Bumpsale.co, an e-commerce platform that allows you to sell a product or service with incremental pricing.
