## WALL GRAPHICS

Always apply graphic to a smooth, clean, dry surface.

Carefully remove graphic from paper liner. Avoid adhesive to adhesive contact, if this occurs, gently pull apart.

Smooth out any air bubbles by hand during application.

Save the paper liner! To transfer to another location, place the graphic back on the glossy side paper liner to protect from debris or sticking to other objects.

This CAD-PRINTZ™ Wall Graphic is made from a fabric media with a patented adhesive that will never weaken and will not leave sticky residue behind. It can be removed and repositioned over and over. CAD-PRINTZ™ Wall Graphics are printed with Eco-Solvent Inks and therefore, are not recommended for outdoor use. Depending upon the size of the CAD-PRINTZ™ Wall Graphic it may be printed in separate panels or pieces for ease of application.
